PROXY STATEMENT

FOR THE 2002 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 15, 2002

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of First Industrial Realty Trust, Inc. (the "Company") for use at the 2002 Annual Meeting of Stockholders of the Company to be held on Wednesday, May 15, 2002, and at any adjournments or postponements thereof (the "Annual Meeting"). At the Annual Meeting, stockholders will be asked to vote on the election of three Class II directors of the Company, to ratify the Board of Directors' selection of PricewaterhouseCoopers LLP as the Company's independent auditors for the current fiscal year and to act on any other matters properly brought before them.

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are first being sent to stockholders on or about April 9, 2002. The Board of Directors has fixed the close of business on March 20, 2002 as the record date for the Annual Meeting (the "Record Date"). Only stockholders of record of the Company's common stock, par value \$.01 per share (the "Common Stock"), at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 39,254,795 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Holders of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held by them on each matter presented to the stockholders at the Annual Meeting.

STOCKHOLDERS OF THE COMPANY ARE REQUESTED TO COMPLETE, SIGN, DATE AND PROMPTLY RETURN THE ACCOMPANYING PROXY CARD IN THE ENCLOSED POSTAGE-PREPAID ENVELOPE. SHARES REPRESENTED BY A PROPERLY EXECUTED PROXY CARD RECEIVED PRIOR TO THE VOTE AT THE ANNUAL MEETING AND NOT REVOKED WILL BE VOTED AT THE ANNUAL MEETING AS DIRECTED ON THE PROXY CARD. IF A PROPERLY EXECUTED PROXY CARD IS SUBMITTED AND NO INSTRUCTIONS ARE GIVEN, THE PERSONS DESIGNATED AS PROXY HOLDERS ON THE PROXY CARD WILL VOTE (I) FOR THE ELECTION OF THE THREE NOMINEES FOR CLASS II DIRECTORS OF THE COMPANY NAMED IN THIS PROXY STATEMENT, (II) FOR THE RATIFICATION OF THE BOARD OF DIRECTORS' SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE CURRENT FISCAL YEAR AND (III) IN THEIR OWN DISCRETION WITH RESPECT TO ANY OTHER BUSINESS THAT MAY PROPERLY COME BEFORE THE STOCKHOLDERS AT THE ANNUAL MEETING OR AT ANY ADJOURNMENTS OR POSTPONEMENTS THEREOF. IT IS NOT ANTICIPATED THAT ANY MATTERS OTHER THAN THOSE SET FORTH IN THE PROXY STATEMENT WILL BE PRESENTED AT THE ANNUAL MEETING.

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. The affirmative vote of the holders of a majority of the votes cast with a quorum present at the Annual Meeting is required for the election of Class II directors and the ratification of the selection of the Company's auditors. Abstentions and broker non-votes will not be counted as votes cast and, accordingly, will have no effect on the majority vote required, although they will be counted for quorum purposes.

A stockholder of record may revoke a proxy at any time before it has been exercised by filing a written revocation with the Secretary of the Company at the address of the Company set forth above, by filing a duly executed proxy bearing a later date, or by appearing in person and voting by ballot at the Annual Meeting. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy.

The Company's 2001 Annual Report, including financial statements for the fiscal year ended December 31, 2001, is being mailed to stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation material.

Class II directors hold office for a term expiring at this Annual Meeting. Class III directors hold office for a term expiring at the Annual Meeting of Stockholders to be held in 2003. Class I directors hold office for a term expiring at the Annual Meeting of Stockholders to be held in 2004. Each director will hold office for the term to which he is elected and until his successor is duly elected and qualified. At each Annual Meeting of Stockholders, the successors to the class of directors whose terms expire at that meeting will be elected to hold office for a term continuing until the Annual Meeting of Stockholders held in the third year following the year of their election and the election and qualification of their successors.

The Board of Directors held seven meetings during the fiscal year of 2001. Each of the directors serving in 2001 attended at least 75% of the total number of meetings of the Board of Directors and of the respective committees of the Board of Directors of which he was a member.

The Board of Directors has appointed an Audit Committee, a Compensation Committee, an Investment Committee, a Nominating Committee and a Special Committee.

Audit Committee. The Audit Committee, which consists of Messrs. The Investment Committee makes a formal recommendation to the Board of Directors for all acquisitions and development projects with a total investment in excess of \$30 million. The Investment Committee met 40 times during 2001.

Nominating Committee. The Nominating Committee proposes individuals for election as directors at the Annual Meeting of Stockholders of the Company and in connection with any vacancy that may develop on the Board of Directors. The Board of Directors, in turn, as a whole by a majority vote either approves all of the nominations so proposed by the Nominating Committee or rejects all of the nominations in whole, but not in part. In the event that the Board of Directors as a whole by a majority vote rejects the proposed nominations, the Nominating Committee develops a new proposal. The Nominating Committee will consider nominees recommended by stockholders of the Company. Such recommendations shall be submitted in writing to the Secretary of the Company. The membership of the Nominating Committee consists of a total of four directors which includes (i) the Chairman of the Board of the Company, (ii) the President of the

Company, and (iii) two other directors selected by the entire Board of Directors of the Company from among those directors who are not officers of the Company and whose term is not expiring in the calendar year that the Nominating Committee is making its proposal. (2) Amounts for 1999 represent restricted Common Stock awarded in February 2000. Amounts for 2000 represent restricted Common Stock awarded in March 2001. Amounts for 2001 represent restricted Common Stock awarded in March 2002. This valuation does not take into account any diminution in value that results from the restrictions applicable to such Common Stock. From and after the date of issuance, holders of the restricted Common Stock are entitled to vote such Common Stock and receive dividends at the same rate applicable to unrestricted shares of Common Stock. The total number of shares, and the value, of restricted Common Stock held by each Named Executive Officer as of December 31, 2001 (based on the closing price per share of Common Stock as reported on the New York Stock Exchange on December 31, 2001 (\$31.10)) is as follows: Mr. Brennan - 72,928 shares (\$2,268,061), Mr. Havalala - 50,975 shares (\$1,585,323), Mr. Yap - 50,149 shares (\$1,559,634), Mr. Draft - 24,309 shares (\$756,010) and Mr. Kirk - 12,087 shares (\$375,906). Of the 109,860 shares of restricted Common Stock awarded in February 2000 to the Named Executive Officers, one-third vested in January 2001 and January 2002, as to which restrictions have been removed, and one-third will vest in January 2003. - (1) Represents an aggregate of 246,800 options granted under the 1997 Stock Plan on January 23, 2001 to the Named Executive Officers. The options vest in three equal installments on the first, second and third year anniversary of the date of grant.
- (2) Percentages do not take into account 70,000 options in the aggregate granted to non-employee directors of the Company.
- (3) All of the options expire January 23, 2011.
- (4) Applies an option value of \$2.51 per share, based on the Black-Scholes option pricing model adapted for use in valuing stock options. The actual value, if any, that the Named Executive Officer may receive would depend on the excess of the stock price at the time of exercise over the exercise or base price on the date the option is exercised. There is no assurance that the value realized by the Named Executive Officer would be at or near the value estimated by the Black-Scholes model. The estimated value under the model assumes an option term of ten years, an average volatility of the Company's common stock of 20.76%, an optimal exercise date three years from the date of grant, a risk free rate of interest of 4.92% and an average dividend yield on the Company's common stock of 8.22%.

Option Exercises and Year-End Holdings. Certain of the Named Executive Officers exercised an aggregate of 22,500 options in 2001. The following table sets forth information with respect to options exercised during, and the value of options held at the end of, 2001 by the Named Executive Officers.

The agreement provides for an initial annual minimum base salary of \$195,000, which may be increased at the discretion of the Compensation Committee, and an annual bonus at the discretion of the Compensation Committee. The agreement provides for an initial term of two years and subsequent two-year periods unless otherwise terminated; provided, however, that the agreement will expire on Mr. Brennan's 70th birthday. Upon certain changes in control of the Company or a termination without cause, Mr. Brennan is entitled to severance in an amount equal to two times his annual base salary, plus two times his average bonus over the prior two years. In addition, upon termination, Mr. Brennan's options and awards under the 1994 Stock Plan, the 1997 Stock Plan and Deferred Income Plan will fully vest and his other benefits will continue for a period of two years. Severance amounts payable to Mr. Brennan upon termination will be reduced if such amounts become payable after Mr. Brennan's 67th birthday. Mr. Brennan has agreed to a two-year covenant not to compete after termination.

In March 2002, the Company entered into written employment agreements with Michael J. Havala, the Company's Chief Financial Officer, Secretary and Treasurer, Johannson L. Yap, the Company's Chief Investment Officer, and David P. Draft, the Company's Executive Vice President - Operations. Mr. Havala's and Mr. Yap's agreements amend and restate their prior employment agreements with the Company. The agreements provide for a minimum annual base salary of \$284,000 for Mr. Havala, \$309,000 for Mr. Yap and \$278,000 for Mr. Draft, which amounts may be increased at the recommendation of the Chief Executive

Officer, with the approval of the Compensation Committee, and for annual bonuses as recommended by the Chief Executive Officer and approved by the Compensation Committee. Each of the agreements provides for a continuous and self-renewing two-year "evergreen" term unless earlier terminated; provided, however, that the agreements will expire on Mr. Havala's, Mr. Yap's and Mr. Draft's respective 70th birthdays. Upon his termination without cause, through constructive discharge, or upon a work-related disability, each of Mr. Havala, Mr. Yap and Mr. Draft is entitled to severance in an amount equal to three times his annual base salary, plus 75% of his maximum bonus potential for the then-current year prorated through the date of termination. Upon certain changes in control of the Company, each of Mr. Havala, Mr. Yap and Mr. Draft is entitled to severance in an amount equal to two times his annual base salary, plus 100% of his maximum cash bonus for the then-current year prorated through the date of termination, plus two times the product of his annual base salary and an average of his actual cash bonus percentage for the prior two years and his maximum cash bonus percentage for the then-current year. In addition, upon his termination other than for cause, each of Mr. Havala's and Mr. Yap's options and awards under the 1994 Stock Plan, the 1997 Stock Plan, the 2001 Stock Plan, the Deferred Income Plan and any subsequent similar plan will fully vest, and his health insurance benefits will continue for a period of three years. Severance amounts payable to Mr. Havala, Mr. Yap and Mr. Draft upon their termination will be reduced if such amounts become payable after their respective 67th birthdays. Each of Mr. Havala, Mr. Yap and Mr. Draft has agreed to a one-year covenant not to compete after his termination, except in connection with certain changes in control of the Company. Each of Mr. Havala, Mr. Yap and Mr. Draft has agreed to a six-month covenant not to compete in connection with certain changes in control of the Company.

STOCK PERFORMANCE GRAPH

The incorporation by reference of this Proxy Statement into any document filed with the SEC by the Company shall not be deemed to include the following performance graph unless such graph is specifically stated to be incorporated by reference into such document.

The following graph provides a comparison of the cumulative total stockholder return among the Company, the NAREIT Equity REIT Total Return Index (the "NAREIT Index"), an industry index which, as of December 31, 2001, was comprised of 151 tax-qualified equity REITs (including the Company) and the Standard & Poor's 500 Index ("S&P 500"). The comparison is for the period from December 31, 1996 to December 31, 2001 and assumes the reinvestment of any dividends. The closing price for the Company's Common Stock quoted on the New York Stock Exchange at the close of business on December 31, 1996 was \$30.375 per share. The NAREIT Index includes REITs with 75% or more of their gross invested book value of assets invested directly or indirectly in the equity ownership of real estate. Upon written request, the Company will provide stockholders with a list of the REITs included in the NAREIT Index. The historical information set forth below is not necessarily indicative of future performance. The following graph was prepared at the Company's request by Research Data Group, Inc., San Francisco, California.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors is composed of two of the Company's independent outside directors, Messrs. Slater and Leshner. The Compensation Committee is responsible for administering the policies that govern the Company's executive compensation.

Objectives of Executive Compensation. The Company maintains the philosophy that compensation of its executive officers and other employees should serve the best interests of the Company's stockholders. Accordingly, the Compensation Committee has designed its compensation policy to provide management proper incentives, directly and materially linked to operating performance, to maximize the Company's overall performance. Consistent with this, executive compensation is weighted towards bonuses and incentive awards (e.g. stock option grants, restricted stock awards and deferred income awards) paid or granted on the basis of the Company's and each executive's performance. Thus, while annual salary increases are based on personal performance of the executive officers and general economic conditions, annual bonuses and incentive award grants are directly tied to the Company's actual economic performance during the applicable fiscal year.

Stock options, together with other incentive awards (e.g., restricted stock and deferred income awards), are granted to the executives under the provisions of the 1997 Stock Plan and the Deferred Income Plan, and will also be granted under the 2001 Stock Plan in the future. The Compensation Committee determines those executives who will receive stock options and other incentive awards and the size of such awards. Generally, stock options are granted at the market price of the Common Stock at the date of grant so that executives and the Company's stockholders are similarly benefited by appreciation in the price of the Common Stock. In the case of 2000 stock options, such options were granted at approximately 94% of market prices as additional compensation to the recipients.

2001 Bonus and Incentive Compensation/CEO Compensation. The bonuses and incentive awards awarded for 2001 performance to each of the Chief Executive Officer and the other executive officers of the Company were based on the Company's internal plan benchmarks for 2001, including (i) the Company's stock price, including total return, (ii) funds from operations ("FFO"), (iii) return on assets, (iv) portfolio performance, including same store net operating income and tenant retention and occupancy, (v) general and administrative expense, (vi) investment/divestment activity, (vii) capital markets activity, and (viii) certain balance sheet objectives, including leverage and pay-out ratios. Generally, bonuses and incentive awards for 2001, including those for the Chief Executive Officer, were lower as a percentage of annual salary than in 2000, due to the Company's performance in 2001 below some of its internal plan benchmarks, including FFO, in a difficult economic environment. The 2001 annual salary for Mr. Brennan, Chief Executive Officer of the Company, was set prior to the beginning of such year and reflects, in addition to general economic conditions prevailing at the time, Mr. Brennan's leadership in developing and implementing the Company's strategy.

Compensation Committee Procedures. The Compensation Committee annually evaluates the Company's performance, as well as the personal performance of the Chief Executive Officer and the other executive officers of the Company. Company performance is evaluated by quantitative factors based on the Company's internal plan benchmarks for the applicable year. Personal performance is evaluated both by qualitative factors, including organizational and management development exhibited from year to year, and by quantitative factors based on the Company's internal plan benchmarks for the applicable year. Generally, the Compensation Committee will meet prior to the beginning of each fiscal year to establish base salary and performance targets for the upcoming year and will meet again at the beginning of each year to review performance and approve incentive awards for the preceding fiscal year.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility on the Company's tax return of compensation over \$1 million to any of the Named Executive Officers unless, in general, the compensation is paid pursuant to a plan which is performance-related, non-discretionary and has been approved by the Company's stockholders. The Compensation Committee's policy with respect to Section 162(m) is to make reasonable efforts to ensure that compensation is deductible to the extent permitted while simultaneously providing Company executives with appropriate rewards for their performance.

The Compensation Committee believes that it has designed and implemented a compensation structure that provides appropriate awards and incentives for the Company's executive officers as they work to sustain and improve the Company's overall performance.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

In January and February 2001, FR Development Services, Inc. ("FRDS") purchased all of the voting and non-voting shares (a total of 25,790 shares) of FRDS held by Messrs. Brennan, Havala and Yap and Gary H. Heigl (formerly Chief Operating Officer of the Company) for approximately \$1,262,633 in the aggregate, in connection with FRDS' election to become a taxable REIT subsidiary of the Company. As a result of the transaction, First Industrial, L.P., the operating subsidiary of the Company, became the sole stockholder of FRDS. At the time of the transaction, Messrs. Brennan, Havala, Yap and Heigl had equity interests in FRDS of approximately 1.06%, 0.6%, 0.6% and 0.5%, respectively. The amounts paid to Messrs. Brennan, Havala and Yap have been included in the total Bonus amounts for 2000 in the Summary Compensation Table.

The Company often engages in transactions for which CB Richard Ellis, Inc. ("CB Richard Ellis") acts as a broker. The brother of Michael W. Brennan, the President and Chief Executive Officer and a director of the Company, is an employee of CB Richard Ellis and in 2001, in one transaction in which the Company sold property for approximately \$3,025,000, received \$17,293 as a portion of the brokerage commission paid by the Company to CB Richard Ellis in connection with such transaction. Management of the Company believes the terms of brokerage services provided by CB Richard Ellis in such transaction were as favorable to the Company as could be obtained in an arm's length transaction.

Officers, directors and "greater than ten-percent" stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms so filed.

Based solely on review of the copies of such forms furnished to the Company for 2001, all Section 16(a) filing requirements applicable to the Company's officers, directors and "greater than ten-percent" stockholders were complied with, except that (i) Craig Cosgrove filed one Form 4 late with respect to a transaction in March 2001, (ii) John Leshner filed one Form 4 late with respect to a transaction in July 2001 and (iii) each of John Leshner, Kevin Lynch, Jay Shidler, Robert Slater, Ed Tyler and Steven Wilson filed one Form 4 late with respect to a transaction in October 2001. In addition, Timothy Gudim reported late on his Form 4 for March 2001 transactions with respect to the conversion into Common Stock of certain limited partnership units of First Industrial, L.P. held indirectly by Mr. Gudim and the sale of such Common Stock.

On March 8, 2002, the Board of Directors voted to appoint PricewaterhouseCoopers LLP as the Company's independent auditors for the current fiscal year. FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The Company did not utilize the services of PricewaterhouseCoopers LLP in the design or implementation of its financial information systems during fiscal 2001.

ALL OTHER FEES

The aggregate fees billed by PricewaterhouseCoopers LLP for all other services provided to the Company for fiscal year 2001 were approximately \$504,021, including expenses.
