2018 Employee Bonus Plan

On March 1, 2018, the Board of Directors (the “Board”) of First Industrial Realty Trust, Inc. (the “Company”) ratified criteria proposed by its Compensation Committee to be used in establishing an incentive bonus pool from which awards may be granted to the Company’s employees, including its chief executive officer and certain other senior executive officers, under the Company’s incentive compensation plan (the “2018 Employee Bonus Plan”). Awards under the 2018 Employee Bonus Plan will be based on certain identified thresholds of four performance categories. The categories are (i) funds from operations (“FFO”) per share (using the NAREIT definition), as FFO may be adjusted by the Compensation Committee in its discretion to exclude the effects of certain extraordinary items, (ii) same store net operating income (“SS NOI”) growth, (iii) fixed charge coverage ratio and (iv) discretionary objectives (based on financial and non-financial goals determined by the Company’s chief executive officer). The Compensation Committee has assigned weighting factors to each of the performance categories, such that performance in certain categories will have a more pronounced impact on the bonus pool under the 2018 Employee Bonus Plan than will performance in other categories. The Compensation Committee has assigned a 65% weighting factor to the FFO per share category, a 10% weighting factor to each of the SS NOI growth and fixed charge coverage ratio categories, and a 15% weighting factor to the discretionary objectives category.

The Compensation Committee has also established performance targets and thresholds relating to each performance category. Achievement of specified thresholds with respect to each performance category will result in an increase in the incentive pool from which awards may be granted under the 2018 Employee Bonus Plan. Achievement by the Company of specifically identified levels of performance with respect to each performance category will result in funding of the incentive pool for the 2018 Employee Bonus Plan of 0%, 25%, 50%, 75%, 100% or 125%, respectively, of the bonus opportunity associated with that performance category. Should performance fall between two identified payout levels, the resulting compensation that may be earned for such performance will be prorated based on linear interpolation.
