PROXY STATEMENT

FOR THE 2015 ANNUAL MEETING OF STOCKHOLDERS

To Be Held on May 7, 2015

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of First Industrial Realty Trust, Inc. ("First Industrial" or the "Company") for use at the 2015 Annual Meeting of Stockholders of the Company to be held on Thursday, May 7, 2015, and at any adjournments or postponements thereof (the "Annual Meeting"). At the Annual Meeting, stockholders will be asked to vote (i) to elect six directors to the Board of Directors to serve until the 2016 Annual Meeting of Stockholders, and until their successors are duly elected and qualify, (ii) to approve, on an advisory (i.e. non-binding) basis, the compensation of the Company's named executive officers as disclosed in this Proxy Statement, (iii) to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the current fiscal year and (iv) to act on any other matters properly brought before them.

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are first being sent to stockholders on or about April 6, 2015. The Board of Directors has fixed the close of business on March 20, 2015 as the record date for the Annual Meeting (the "Record Date"). Only stockholders of record of our common stock ("Common Stock") at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 110,727,654 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Holders of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held by them on each matter presented to the stockholders at the Annual Meeting.

Stockholders of the Company are requested to complete, sign, date and promptly return the accompanying Proxy Card in the enclosed postage-prepaid envelope. Shares represented by a properly executed Proxy Card received prior to the vote at the Annual Meeting and not revoked will be voted at the Annual Meeting as directed on the Proxy Card. If a properly executed Proxy Card is submitted and no instructions are given, the persons designated as proxy holders on the Proxy Card will vote (i) FOR the election of the six nominees for director named in this Proxy Statement, (ii) FOR the approval, on an advisory basis, of the compensation of our named executive officers, (iii) FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the current fiscal year and (iv) in their own discretion with respect to any other business that may properly come before the stockholders at the Annual Meeting or at any adjournments or postponements thereof. We have not received notice of any matters other than those set forth in this Proxy Statement and, accordingly, it is not anticipated that any other matters will be presented at the Annual Meeting.

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. The affirmative vote of the holders of a majority of the votes cast with a quorum present at the Annual Meeting is required (i) for the election of directors, (ii) for the approval, on an advisory basis, of the compensation of our named executive officers and (iii) for the ratification of the appointment of the Company's independent registered public accounting firm. Abstentions will not be counted as votes cast and, accordingly, will have no effect on the result of the vote, although they will be counted for quorum purposes.

A stockholder of record may revoke a proxy at any time before it has been exercised by filing a written revocation with the Secretary of the Company at the address of the Company set forth above, by filing a duly

executed proxy bearing a later date, or by appearing in person and voting by ballot at the Annual Meeting. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy. “Street name” stockholders who wish to vote in person will need to obtain a duly executed proxy form from the institution that holds their shares prior to the Annual Meeting.

Appendix A to this Proxy Statement contains the Company’s 2014 Annual Report, including the Company’s financial statements for the fiscal year ended December 31, 2014 and certain other information required by the rules and regulations of the Securities and Exchange Commission (the “SEC”). However, the Company’s 2014 Annual Report is not part of the proxy solicitation material. See “Other Matters — Incorporation by Reference” herein.

BROKER NON-VOTES

Stockholders of the Company who have received this Proxy Statement from their broker or other fiduciary should have received instructions for directing how that broker or fiduciary should vote the stockholder’s shares. It will be the broker’s or fiduciary’s responsibility to vote the stockholder’s shares for the stockholder in the manner directed. The stockholder must complete, execute and return the voting instruction form in the envelope provided by the broker.

Under the rules of the New York Stock Exchange (the “NYSE”), brokers generally may vote on routine matters, such as the ratification of an independent public accounting firm, but may not vote on non-routine matters unless they have received voting instructions from the person for whom they are holding shares. If there is a non-routine matter presented to stockholders at a meeting and the stockholder’s broker or fiduciary does not receive instructions from the stockholder on how to vote on that matter, the broker or fiduciary will return the Proxy Card to the Company, indicating that he or she does not have the authority to vote on that matter. This is generally referred to as a “broker non-vote” and may affect the outcome of the voting on those matters, as discussed below.

The proposal described in this Proxy Statement for the ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the fiscal year ended December 31, 2015 is considered a routine matter under the NYSE rules. Each of the other proposals is considered a non-routine matter under NYSE rules and could result in broker non-votes. Broker non-votes will not be counted as votes cast and, accordingly, will have no effect on the result of the vote. However, broker non-votes will be counted for quorum purposes. We therefore encourage stockholders to provide directions to their broker as to how the stockholder wants their shares voted on all matters to be brought before the Annual Meeting. The stockholder should do this by carefully following the instructions the broker gives the stockholder concerning its procedures. This ensures that the stockholder’s shares will be voted at the meeting.

PROPOSAL 1
ELECTION OF DIRECTORS

Pursuant to the Company's Charter, the maximum number of members allowed to serve on the Company's Board of Directors is twelve. The Board of Directors of the Company currently consists of six seats. The Board of Directors anticipates that each of the Nominees will serve as a director if elected. THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

The Board of Directors. The Board of Directors currently consists of six seats. A majority of the members of the Board of Directors are independent as affirmatively determined by the Board of Directors. In determining the independence of its members, the Board of Directors applied the independence standards and tests set forth in Sections 303A.02(a) and (b) of the Listed Company Manual of the NYSE.

Applying such standards, the Board of Directors has affirmatively determined that each of Messrs. Dominski, Hackett, Rau, Sharpe and Tyler are independent directors.

The Board of Directors held five meetings and acted five times by unanimous consent during 2014. Each of the directors serving in 2014 attended at least 75% of the total number of meetings of the Board of Directors and of the respective committees of the Board of Directors of which he was a member. Although the Company does not have a formal policy regarding director attendance at Annual Meetings of Stockholders, all of the directors then serving attended the 2014 Annual Meeting of Stockholders. During 2014, Mr. Tyler, in his capacity as Chairman of the Board, presided at meetings of non-management directors.

The Board of Directors has adopted Corporate Governance Guidelines to reflect the principles by which it operates. These guidelines, as well as the charters of the Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee of the Board of Directors, are accessible at the investor relations pages of the Company's website at www.firstindustrial.com and are available in print free of charge to any stockholder or other interested party who requests them. The Company has adopted a Code of Business Conduct and Ethics, which includes the principles by which the Company expects its employees, officers and directors to conduct Company business and which is accessible at the investor relations pages of the Company's website at www.firstindustrial.com and is available in print free of charge to any stockholder or other interested party who

requests it. The Company intends to post on its website amendments to, or waivers from, any provision of the Company's Code of Business Conduct and Ethics. The Company also posts or otherwise makes available on its website from time to time other information that may be of interest to investors and other interested parties. However, none of the information provided on the Company's website is part of the proxy solicitation material. See "Other Matters — Incorporation by Reference" herein.

The Board of Directors has appointed an Audit Committee, a Compensation Committee, an Investment Committee and a Nominating/Corporate Governance Committee.

Audit Committee. The Audit Committee is directly responsible for the appointment, discharge, compensation, and oversight of the work of any independent registered public accounting firm employed by the Company for the purpose of preparing or issuing an audit report or related work. In connection with such responsibilities, the Audit Committee approves the engagement of independent public accountants, reviews with the independent public accountants the audit plan, the audit scope, and the results of the annual audit engagement, pre-approves audit and non-audit services and fees of the independent public accountants, reviews the independence of the independent public accountants and reviews the adequacy of the Company's internal control over financial reporting.

In 2014, the Audit Committee consisted of Messrs. Hackett, Sharpe and Rau. Each of Messrs. Hackett, Sharpe and Rau is, in the judgment of the Company's Board of Directors, independent as required by the listing standards of the NYSE and the rules of the SEC. Also, in the judgment of the Company's Board of Directors, each member is financially literate as required by the listing standards of the NYSE. Further, in the judgment of the Company's Board of Directors, Mr. Hackett is an "audit committee financial expert," as such term is defined in the SEC rules, and has "accounting or related financial management expertise," as defined in the listing standards of the NYSE. See Mr. Hackett's biography on page 4. Mr. Hackett is also the current Chairman of the Audit Committee. The Audit Committee met five times in 2014.

Compensation Committee. The Compensation Committee has overall responsibility for approving and evaluating the compensation plans, policies and programs relating to the executive officers of the Company. The Compensation Committee administers the First Industrial Realty Trust, Inc. 2001 Stock Incentive Plan (the "2001 Stock Plan"), the First Industrial Realty Trust, Inc. 2009 Stock Incentive Plan (the "2009 Stock Plan"), the First Industrial Realty Trust, Inc. 2011 Stock Incentive Plan (the "2011 Stock Plan") and the First Industrial Realty Trust, Inc. 2014 Stock Incentive Plan (the "2014 Stock Plan") and has the authority to grant awards under the 2014 Stock Plan. The Compensation Committee consists of Mr. Tyler and Mr. Sharpe, both of whom are, in the judgment of the Company's Board of Directors, independent as required by the listing standards of the NYSE. Mr. Sharpe currently serves as the Chairman of the Compensation Committee. The Compensation Committee met three times in 2014.

Investment Committee. The Investment Committee provides oversight and discipline to the investment process. Investment opportunities are described in written reports based on detailed research and analyses in a standardized format applying appropriate underwriting criteria. The Investment Committee meets with the Company's acquisition personnel, reviews each submission thoroughly and approves acquisitions and dispositions of land of greater than \$5 million and all other acquisitions, dispositions and development projects of greater than \$20 million. The Investment Committee makes a formal recommendation to the Board of Directors for all acquisitions, dispositions and development projects in excess of \$50 million. The membership of the Investment Committee currently consists of Messrs. Hackett, Dominski and Duncan. The Investment Committee met six times in 2014.

Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee recommends individuals for election as directors at the Annual Meeting of Stockholders of the Company and in connection with any vacancy that may develop on the Board of Directors. In turn, the Board of Directors as a whole either approves by a majority vote all of the nominations so recommended by the Nominating/Corporate Governance Committee or rejects all of the nominations in whole, but not in part. In the event that the Board of Directors rejects the recommended nominations, the Nominating/Corporate Governance Committee would

develop a new recommendation. In addition, the Nominating/Corporate Governance Committee develops and oversees the Company's corporate governance policies. The membership of the Nominating/Corporate Governance Committee currently consists of Messrs. Dominski, Hackett and Rau, each of whom, in the judgment of the Board of Directors, is independent as required by the listing standards of the NYSE. Mr. Rau is the current Chairman of the Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee met once during 2014 and met in March 2015 to determine its nominations for this Proxy Statement.

The Nominating/Corporate Governance Committee will consider nominees recommended by stockholders of the Company. In order for a stockholder to nominate a candidate for election as a director at an Annual Meeting, proper notice must be given in accordance with our Bylaws and applicable SEC regulations to the Secretary of the Company. Pursuant to our Bylaws and applicable SEC regulations, such notice of a director nominee must be provided to the Secretary of the Company not more than 150 days and not less than 120 days prior to the first anniversary of the date the Company's proxy statement for the prior year's Annual Meeting of Stockholders was released to stockholders. The fact that the Company may not insist upon compliance with these requirements should not be construed as a waiver by the Company of its right to do so at any time in the future.

In general, it is the Nominating/Corporate Governance Committee's policy that, in its judgment, its recommended nominees for election as members of the Board of Directors of the Company must, at a minimum, have business experience of a breadth, and at a level of complexity, sufficient to understand all aspects of the Company's business and, through either experience or education, have acquired such knowledge as is sufficient to qualify as financially literate. In addition, recommended nominees must be persons of integrity and be committed to devoting the time and attention necessary to fulfill their duties to the Company. While the Nominating/Corporate Governance Committee has not adopted a formal diversity policy, diversity is one of the factors that the Nominating/Corporate Governance Committee considers in identifying director nominees. As part of the nomination process, the Nominating/Corporate Governance Committee evaluates how a particular individual would affect the diversity of the Company's Board of Directors in terms of how that person may contribute to the Board of Directors' overall balance of perspectives, backgrounds, knowledge, experience, skill sets and expertise in matters pertaining to the Company's business.

The Nominating/Corporate Governance Committee may identify nominees for election as members of the Board of Directors through its own sources (including through nominations by stockholders made in accordance with our Bylaws), through sources of other directors of the Company, and through the use of third-party search firms. The Company has previously engaged a third party search firm to identify potential nominees and may do so again in the future. Subject to the foregoing minimum standards, the Nominating/Corporate Governance Committee will evaluate each nominee on a case-by-case basis, assessing each nominee's judgment, experience, independence, understanding of the Company's business or that of other related industries, and such other factors as the Nominating/Corporate Governance Committee concludes are pertinent in light of the current needs of the Company's Board of Directors.

Communications by Stockholders and Other Interested Parties. Stockholders of the Company and other interested parties may send communications to the Board of Directors as a whole, its individual members, its committees or its non-management members as a group. Communications to the Board of Directors as a whole should be addressed to "The Board of Directors;" communications to any individual member of the Board of Directors should be addressed to such individual member; communications to any committee of the Board of Directors should be addressed to the Chairman of such committee; and communications to non-management members of the Board of Directors as a group should be addressed to the Chairman of the Nominating/Corporate Governance Committee. In each case, communications should be further addressed "c/o First Industrial Realty Trust, Inc., 311 South Wacker Drive, Suite 3900, Chicago, Illinois 60606." All communications will be forwarded to their respective addressees and, if a stockholder marks his or her communication "Confidential," will be forwarded directly to the addressee.

Board Leadership Structure and Role in Risk Management. Mr. Tyler is chairman of the Board of Directors. Mr. Tyler served as the Company's interim Chief Executive Officer from October 22, 2008 until January 9, 2009. Prior to and since the completion of his service as interim Chief Executive Officer, Mr. Tyler

has not served as an officer of the Company and, as discussed above, Mr. Tyler is an independent director as affirmatively determined by the Board of Directors. We believe that having board leadership independent of management helps ensure critical and independent thinking with respect to the Company's strategy and performance. Mr. Duncan, the Company's President and Chief Executive Officer, is also a member of the Board of Directors. The presence of Mr. Duncan on the Board of Directors helps to ensure that management's insight is directly available to the directors in their deliberations.

The Board of Directors oversees the business of the Company and our stockholders' interests in the long-term financial strength and overall success of the Company's business. In this respect, the Board of Directors is responsible for overseeing the Company's risk management. The Board of Directors delegates many of these functions to the Board's committees. Each committee of the Board of Directors is responsible for reviewing the risk exposure of the Company related to the committees' areas of responsibility and providing input to the Board of Directors on such risks. The Board of Directors and its committees regularly review material strategic, operational, financial, compensation and compliance risks with management.

For example, under its charter, the Audit Committee is required to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information that will be provided to the stockholders, the systems of internal controls that management and the Board of Directors have established and the audit process. The Audit Committee is responsible for facilitating communication between the Company's independent auditors and the Board of Directors and management, and for reviewing with the independent auditors the adequacy of the Company's internal controls. The Audit Committee also reviews with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies.

Similarly, the Compensation Committee strives to adopt compensation incentives that encourage appropriate risk-taking behavior that is consistent with the Company's long-term business strategy. We do not believe that our compensation policies and practices are reasonably likely to have a material adverse effect on the Company. The Compensation Committee has focused on aligning our compensation policies with our stockholders' long-term interests and avoiding short-term rewards for management or awards that encourage excessive or unnecessary risk taking. For example, a substantial amount of compensation provided to the Company's executive officers is in the form of equity awards for which the ultimate value of the award is tied to the Company's stock price and which are subject to long-term vesting schedules. In addition, annual cash and equity bonuses provided to management under the 2014 Employee Bonus Plan (as defined below) were contingent, among other factors, upon the Company's satisfaction of prescribed levels of "funds from operations," same store net operating income growth and fixed charge coverage ratio. Because these awards are directly tied to increased financial performance and stock price, in line with our stockholders' interests, we believe that none of these types of awards contribute to excessive or unnecessary risk taking.

DIRECTOR COMPENSATION

As the only director of the Company who is also an employee, Mr. Duncan (our Chief Executive Officer) receives no additional compensation for his service as a director.

Compensation of non-employee directors is reviewed annually by the Compensation Committee of the Board of Directors, which makes any recommendations of compensation changes to the entire Board of Directors. Non-employee directors are not entitled to retirement benefits, incentive compensation or perquisites for their service, although they are reimbursed for their out-of-pocket expenses for meeting attendance.

Prior to the 2014 Annual Meeting of Stockholders, compensation for non-employee directors of the Company consisted of an annual cash director's fee of \$120,000. No fees were paid for attendance at in-person or telephonic meetings of the Board of Directors and its committees. Additional annual fees were paid for service as Chairman of the Board of Directors, Chairman of the Audit Committee, Chairman of the Compensation Committee and Chairman of the Nominating/Corporate Governance Committee in amounts of \$50,000, \$20,000, \$10,000 and \$10,000, respectively.

Effective as of the 2014 Annual Meeting of Stockholders, compensation for non-employee directors of the Company consists of an annual cash director's fee of \$70,000 and an annual grant of restricted Common Stock with a grant date fair value of approximately \$70,000. No fees are paid for attendance at in-person or telephonic meetings of the Board of Directors and its committees. Additional annual fees are paid in cash for service as Chairman of the Board of Directors, Chairman of the Audit Committee, Chairman of the Compensation Committee and Chairman of the Nominating/Corporate Governance Committee in amounts of \$50,000, \$30,000, \$20,000 and \$15,000, respectively, and for non-chair service on the Audit Committee, the Compensation Committee, the Investment Committee and the Nominating/Corporate Governance Committee in amounts of \$9,000, \$7,500, \$7,500 and \$6,000, respectively. Mr. Tyler, the Chairman of our Board of Directors, does not receive any non-chair service fees for committee service in addition to the fee he receives for service as Chairman of the Board of Directors.

OBJECTIVES AND DESIGN OF COMPENSATION PROGRAM

The Company maintains the philosophy that compensation of its executive officers and other employees should serve the best interests of the Company's stockholders. Accordingly, the Company believes that its executive compensation program should not only serve to attract and retain talented and capable individuals, but should also provide them with proper incentives linked to performance criteria that are designed to maximize the Company's overall performance. To this end, the Company's compensation program consists of a mix of compensation that is intended to compensate executive officers for their contributions during the year, and to reward them for achievements that lead to increased Company performance and increases in stockholder value.

THE EXECUTIVE COMPENSATION PROCESS AND THE ROLE OF EXECUTIVE OFFICERS IN COMPENSATION DECISIONS

The Compensation Committee of the Company's Board of Directors (the "Compensation Committee") has overall responsibility for approving and evaluating the compensation plans, policies and programs relating to the executive officers of the Company. The Compensation Committee typically formulates compensation beginning in December of the prior fiscal year and continuing through the first quarter of the applicable fiscal year, by setting that year's salary and, if applicable, maximum cash and equity bonuses for the Company's employees, including those named executive officers listed in the Summary Compensation Table on page 22 (the "Named Executive Officers"). Also, typically in the first quarter of the applicable fiscal year, the Compensation Committee adopts, and the full Board of Directors ratifies, the performance criteria to be used for that year in determining the incentive compensation of the Company's employees (including the Named Executive Officers)

other than those covered by separate plans or agreements. Then, after the end of the applicable fiscal year, the Compensation Committee meets to determine incentive compensation to be paid to the Company's employees, including the Named Executive Officers, with respect to that year, pursuant to the performance criteria or, as applicable, pursuant to separate plans or agreements. Per such determination, the Company pays cash bonuses and issues restricted Common Stock, typically in February or March.

Historically, the Company's Chief Executive Officer and Chief Financial Officer have participated in meetings with the Compensation Committee at various times throughout the year. During the first quarter of the applicable fiscal year, they typically meet with the Compensation Committee to present and discuss recommendations with respect to the applicable fiscal year's salaries and maximum cash and equity bonuses for the Named Executive Officers, other than themselves, not covered by separate plans or agreements. Also in the first quarter of each year they typically meet with the Compensation Committee to present and discuss recommendations with respect to incentive compensation for the year just ended. In addition, they traditionally meet with the Compensation Committee regarding employment agreements that the Company has entered into (if any), and assist the Compensation Committee in providing compensation information to outside consultants engaged to evaluate the Company's compensation programs. However, neither our Chief Executive Officer nor our Chief Financial Officer participate in any decisions with respect to their own compensation.

Periodically, though not every year, the Company and the Compensation Committee engage the services of outside consultants to evaluate the Company's executive compensation program. In 2012 and 2013, the Compensation Committee retained FPL Associates, L.P. ("FPL"), a nationally-recognized compensation consulting firm specializing in the real estate industry, to review the appropriateness of our compensation, including that of the Named Executive Officers. Consistent with SEC rules, the Company has assessed whether the work of FPL raises any conflict of interest and has determined that the retention of FPL to advise the Compensation Committee concerning executive compensation matters does not create a conflict of interest. Neither the Compensation Committee nor the Company has any other professional relationship with FPL.

The Compensation Committee directed FPL to, among other things: (1) assist the Compensation Committee in applying our compensation philosophy for the Named Executive Officers, including the determination of the portion of total compensation awarded in the form of base salary, annual incentives and equity-based compensation, as well as selecting the appropriate performance metrics and levels of performance; (2) analyze current compensation conditions among the Company's peers, and assess the competitiveness and appropriateness of compensation levels for the Named Executive Officers; (3) recommend to the Compensation Committee any modifications or additions to the Company's existing compensation programs that it deems advisable; (4) make specific recommendations to the Compensation Committee for base salary, annual incentives and equity-based awards for the Named Executive Officers; and (5) assist with the establishment of the Long-Term Incentive Program (as described in greater detail below under "Long-Term Incentive Program").

As part of its review, FPL surveyed the compensation programs of 30 real estate companies. This peer group, which was referenced primarily to gauge the general appropriateness of the Company's overall executive compensation structure, included the following companies, 15 of which at such time had a total capitalization smaller than the Company's and 15 of which had a total capitalization larger than the Company's:

Acadia Realty Trust
Colonial Properties Trust
DiamondRock Hospitality Company
EPR Properties
Felcor Lodging Trust Incorporated
LaSalle Hotel Properties
Omega Healthcare Investors, Inc.
PS Business Parks, Inc.
Sovran Self Storage, Inc.
Sunstone Hotel Investors, Inc.

American Assets Trust, Inc.
CubeSmart
Dupont Fabros Technology, Inc.
Equity One, Inc.
Glimcher Realty Trust
Lexington Realty Trust
Pennsylvania Real Estate Investment Trust
RLJ Lodging Trust
Strategic Hotels & Resorts, Inc.
W. P. Carey Inc.

Ashford Hospitality Trust, Inc.
DCT Industrial Trust Inc.
EastGroup Properties, Inc.
Extra Space Storage Inc.
Hersha Hospitality Trust
Medical Properties Trust, Inc.
Post Properties, Inc.
Saul Centers, Inc.
Sun Communities, Inc.
Washington Real Estate Investment Trust

The Compensation Committee used the data provided in connection with FPL's survey not as a benchmark per se, but rather as a reference point to gauge generally the appropriateness of the Company's executive compensation programs.

EXECUTIVE COMPENSATION COMPONENTS

The components of the Company's executive compensation program are base salary, cash and equity incentive bonuses and benefits and perquisites. Each component of the Company's executive compensation program is intended to serve to attract and retain talented, capable individuals to the Company's executive ranks.

Base salary and benefits and perquisites are intended to provide a level of fixed compensation to the Named Executive Officers for services rendered during the year. Increases to base salary are typically a function of individual performance and general economic conditions. Benefits and perquisites available generally to the Company's employees, including the Named Executive Officers, currently include premiums paid by the Company on term life insurance and long-term disability insurance; standard health, life and disability insurance; car allowances; and 401(k) matching contributions.

Incentive bonuses, by contrast, are linked to, and are a function of, the achievement of performance criteria that are designed with the intention of incentivizing the Named Executive Officers to maximize the Company's overall performance. Incentive bonuses are awarded as either cash or equity. The Compensation Committee does not have a specific policy regarding the mix of cash and non-cash compensation awarded to the Named Executive Officers. Although the exact percentages vary among individuals, equity comprises approximately 40% of the potential incentive bonuses for the Named Executive Officers as a group. For our Chief Executive Officer, the mix of cash and equity compensation he is entitled to receive is set forth in his employment agreement. Additionally, his annual incentive bonuses will typically be payable in a combination of cash and shares of restricted Common Stock, and it is expected that the portion paid in restricted Common Stock will be proportionate to the equity incentive compensation received by the Company's executive officers generally.

Historically, base salary and benefits and perquisites have made up approximately one-third of a Named Executive Officer's compensation in a typical year, while incentive bonuses have comprised the remaining two-thirds. Although this mix may vary from year to year, the Compensation Committee strives to ensure that the Named Executive Officers' compensation is largely performance-based.

The Compensation Committee believes that restricted Common Stock awards and Performance Unit (as defined below) awards play an important role in aligning management's interests with those of the Company's stockholders in that restricted Common Stock and Performance Units (other than the vesting and transfer restrictions applicable to them) are economically identical to stockholders' Common Stock. For this reason, restricted Common Stock and Performance Unit awards have been a significant part of executive compensation, although the Compensation Committee may use other forms of equity compensation in the future.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

At our 2014 Annual Meeting of Stockholders, we conducted an advisory vote on executive compensation. While the results of this vote were non-binding, we believe that presenting this matter to our stockholders is an important means of obtaining investor feedback on our compensation policies. At the 2014 Annual Meeting, more than 97% of the votes cast in the vote on the compensation of our Named Executive Officers as disclosed in the proxy statement for that meeting were in favor of such compensation and, as a result, the compensation of our Named Executive Officers was approved by our stockholders on an advisory basis. In light of this support, the Board of Directors and Compensation Committee elected not to make any changes to our executive compensation policies at this time.

We have determined that our stockholders should vote on a say-on-pay proposal each year, consistent with the preference expressed by our stockholders at our 2011 Annual Meeting of Stockholders. To the extent that the advisory vote indicates a lack of support for the compensation of our Named Executive Officers as disclosed in this Proxy Statement, we plan to consider our stockholders' concerns and expect that the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

SETTING EXECUTIVE COMPENSATION

Base Salary

The Company provides the Named Executive Officers with base salary to compensate them for services rendered during the fiscal year. The base salaries of the Named Executive Officers are a function of either the minimum base salaries specified in their employment agreements or the base salary negotiated at the time of an executive's initial employment, and any subsequent increases to such base salaries approved by the Compensation Committee. In determining increases to such base salaries for any year, the Compensation Committee considers individual performance of the Named Executive Officers in the most recently completed year, including organizational and management development and leadership exhibited from year-to-year. The Compensation Committee also considers, but does not specifically benchmark compensation to, peer information provided by compensation consultants. The Compensation Committee also considers general economic conditions prevailing at the end of such year, when the increases for the following year are typically determined. The Company does not guarantee annual base salary increases to anyone. In December 2012, the Company entered into an employment agreement with Mr. Duncan that provides, among other things, for a minimum annual base salary of \$850,000. Mr. Duncan voluntarily agreed to reduce his base salary to \$832,000 during 2013 and 2014. For 2014, the base salaries paid to the Named Executive Officers remained the same as in 2013 as reflected in the Summary Compensation Table of this Proxy Statement.

Annual Incentive Bonuses

The Company provides its senior executives with annual incentive compensation, which currently includes cash and equity awards, in the form of restricted Common Stock, to incentivize and reward them for Company and individual performance. The Company does not guarantee annual bonuses to anyone.

Performance Measures

For 2014, 2013 and 2012, each Named Executive Officer participated in the incentive compensation plan generally available to the Company's employees (each, an "Employee Bonus Plan"), which plans were recommended by the Compensation Committee and adopted by the Board of Directors.

Under the 2012 Employee Bonus Plan, compensation determinations of the Compensation Committee were based on the Company's achievement above a minimum level of funds from operations ("FFO") per share, as adjusted in the Compensation Committee's discretion to exclude the effects of certain items and, with respect to each Named Executive Officer other than Mr. Duncan, the Chief Executive Officer's evaluation and individual recommendations to the Compensation Committee. These metrics reflected the Compensation Committee's determination in connection with these periods that FFO represented the best single measure to appropriately capture the Company's performance.

Informed by the survey conducted in 2012 by our outside compensation consultant, FPL, as part of its evaluation of the Company's executive compensation program, the Compensation Committee has since determined that additional criteria should also be considered in analyzing the Company's performance. Therefore, as described more fully below, compensation determinations under the 2013 and 2014 Employee Bonus Plans were based not only on FFO per share, but also on these additional criteria in an effort to better measure the overall financial performance of the Company.

2014 Employee Bonus Plan

For 2014, each Named Executive Officer participated in the incentive compensation plan generally available to the Company's employees (the "2014 Employee Bonus Plan"), which plan was recommended by the Compensation Committee and adopted by the Board of Directors on March 11, 2014.

Under the 2014 Employee Bonus Plan, a "bonus pool" is established based on the achievement by the Company of certain identified thresholds of four performance categories. These categories are (i) FFO per share (as described below), (ii) same store NOI ("SS NOI") growth (as described below), (iii) fixed charge coverage

ratio (as described below) and (iv) discretionary financial and non-financial objectives determined by the Company's Chief Executive Officer. Each of these performance categories may be adjusted by the Compensation Committee in its discretion to exclude the effects of certain items. The Compensation Committee assigned weighting factors to each of the performance categories, such that performance in certain categories had a more pronounced impact on the bonus pool under the 2014 Employee Bonus Plan than did performance in other categories. The weighting factors were as follows:

<u>Category</u>	<u>Weighting Factor</u>
FFO ⁽¹⁾ per share	65%
SS NOI ⁽²⁾ growth	10%
Fixed charge coverage ratio ⁽³⁾	10%
Discretionary objectives	15%

- (1) FFO is a non-GAAP financial measure created by the National Association of Real Estate Investment Trusts ("NAREIT") as a supplemental measure of REIT operating performance that excludes certain items from net income (loss) determined in accordance with GAAP. FFO is calculated by us in accordance with the definition adopted by the Board of Governors of NAREIT and therefore may not be comparable to other similarly titled measures of other companies. The Compensation Committee believes that the use of FFO available to common stockholders and participating securities, combined with net income (loss) (which remains the primary measure of performance), improves the understanding of operating results of REITs among the investing public and makes comparisons of REIT operating results more meaningful. The Compensation Committee believes that, by excluding gains or losses related to sales of previously depreciated real estate assets, real estate asset depreciation and amortization and impairment charges (reversals) recorded on depreciable real estate, investors and analysts are able to identify the operating results of the long-term assets that form the core of a REIT's activity and use these operating results for assistance in comparing these operating results between periods or to those of different companies. Please see the reconciliation of FFO to net income available to common stockholders contained in our Annual Report on Form 10-K filed on February 26, 2015.
- (2) SS NOI is a non-GAAP financial measure that provides a measure of rental operations, and does not factor in depreciation and amortization, general and administrative expense, acquisition costs, interest expense, impairment charges, interest income, equity in income from joint ventures, income tax expense/benefit, gains and losses on retirement of debt, sale of real estate and mark-to-market of interest rate protection agreements. The Company defines SS NOI as revenues minus property expenses such as real estate taxes, repairs and maintenance, property management, utilities, insurance and other expenses, minus the net operating income of properties that are not same store properties and minus the impact of straight-line rent, the amortization of lease inducements, the amortization of above/below market rent and lease termination fees. As so defined, SS NOI may not be comparable to same store net operating income or similar measures reported by other REITs that define same store properties or net operating income differently. The major factors influencing SS NOI are occupancy levels, rental rate increases or decreases and tenant recoveries increases or decreases. The Compensation Committee believes that, because our success depends largely upon our ability to lease space and to recover the operating costs associated with those leases from our tenants, SS NOI is an important measure of the Company's performance. Please see the reconciliation of same store revenues and property expenses to SS NOI contained in our Annual Report on Form 10-K filed on February 26, 2015.
- (3) The Company is a party to certain lending arrangements that require the Company to maintain a specified fixed charge coverage ratio. For purposes of the 2014 Employee Bonus Plan, the Company defined fixed charge coverage ratio in accordance with that certain Amended and Restated Unsecured Revolving Credit Agreement dated as of July 19, 2013, a copy of which was filed with our Current Report on Form 8-K filed on July 22, 2013. The Compensation Committee believes that fixed charge coverage ratio is an important measure of the Company's performance because it is critical to the Company's progress toward improving the investment grade rating on its unsecured debt.

The Compensation Committee established performance targets relating to each performance category for the 2014 Employee Bonus Plan. The Company's 2014 performance in the identified performance categories resulted in the following funding of the bonus pool associated with that performance category:

Category	Performance Target ⁽¹⁾	Actual Result ⁽¹⁾	Bonus Pool Funding%
FFO per share	\$ 1.21 ⁽²⁾	\$ 1.21 ⁽²⁾	75.0%
SS NOI growth	4.0%	4.1% ⁽³⁾	77.9%
Fixed charge coverage ratio	2.38x	2.42x	125.0%

- (1) Amounts exclude a one-time restoration fee of \$2.6 million that was anticipated to be, and was, earned during the year ended December 31, 2014.
- (2) Amount excludes an accrual for cash bonuses and certain other items.
- (3) The Compensation Committee calculated SS NOI growth using a cumulative quarterly average as opposed to the methodology traditionally utilized in our financial reporting, which measures the year-over-year growth of our properties.

The Compensation Committee determined that the funding percentage for the bonus pool with respect to the discretionary objectives chosen by them should be 90% based on the Company's strong performance in 2014, as described in greater detail above under "2014 ACCOMPLISHMENTS." The Company's 2014 performance in the identified performance categories resulted in the funding of the aggregate bonus pool available under the 2014 Employee Bonus Plan in an amount equal to 82.5% of the target maximum cash and equity bonuses of all eligible employees, including the Named Executive Officers. After determining the aggregate bonus pool available under the 2014 Employee Bonus Plan, the Compensation Committee and our Chief Executive Officer allocated individual awards based on the individual award recipients' performance.

The target maximum bonuses for the Named Executive Officers for purposes of the 2014 Employee Bonus Plan were as follows:

Executive Officer	Target Maximum Cash Bonus (% of Base Salary)	Target Maximum Equity Bonus (% of Base Salary)
Bruce W. Duncan	225%	200%
Scott A. Musil	150%	100%
Johannson L. Yap	200%	140%
David G. Harker	150%	100%
Peter O. Schultz	150%	100%

The actual percentage of cash and equity bonuses (the "Individual Cash Percentage" and the "Individual Equity Percentage") awarded to the Named Executive Officers were determined as described below.

The actual individual bonuses paid to the Named Executive Officers (other than our Chief Executive Officer) from the bonus pool were determined by the Compensation Committee, after recommendations from our Chief Executive Officer, based upon the respective officer's achievement of the following individual performance objectives that were approved by the Board of Directors and communicated to the officer:

Executive Officer	Individual Performance Objectives
Scott A. Musil	Progress with respect to leverage ratios, improved credit ratings on unsecured debt and execution of the Company's term loan
Johannson L. Yap	Progress with respect to acquisitions and divestitures, completing and leasing developments and overall performance of the West Region of the Company
David G. Harker	Progress with respect to the leasing of vacant acquisitions and overall performance of the Central Region of the Company
Peter O. Schultz	Progress with respect to completing and leasing developments and overall performance of the East Region of the Company

The actual individual bonus paid to our Chief Executive Officer from the bonus pool was determined by the Compensation Committee based upon its assessment of the Company's overall performance and the Company's achievement of the corporate performance goals under the 2014 Employee Bonus Plan.

The aggregate amount of bonuses paid to the Named Executive Officers under the 2014 Employee Bonus Plan was \$5,255,211. The cash bonus payments and equity grants made in the first quarter of 2015 to each of our Named Executive Officers in settlement of awards under the 2014 Employee Bonus Plan, together with the applicable Individual Cash Percentage and Individual Equity Percentage, are reflected in the following table:

<u>Executive Officer</u>	<u>Individual Cash Percentage (%)⁽¹⁾</u>	<u>Cash Bonus Paid (\$)</u>	<u>Individual Equity Percentage (%)⁽¹⁾</u>	<u>Shares of Restricted Stock⁽²⁾</u>	<u>Grant Date Fair Value of Award (\$)</u>
Bruce W. Duncan	69	1,325,000	74	57,606	1,250,050
Scott A. Musil	86	340,000	94	11,523	250,049
Johannson L. Yap	70	530,000	75	18,435	400,040
David G. Harker	92	330,000	102	11,292	245,036
Peter O. Schultz	91	340,000	98	11,292	245,036

- (1) The Individual Cash Percentage and Individual Equity Percentage each reflect the actual cash bonus or equity issuance as a percentage of the respective target maximum amount for each individual.
- (2) The number of shares approved by the Compensation Committee was determined based on the \$21.70 closing price of the Common Stock on February 12, 2015, which was the date the Compensation Committee approved awards under the 2014 Employee Bonus Plan.

For 2013, the Named Executive Officers participated in an incentive compensation plan similar to the 2014 Employee Bonus Plan.

Long-Term Incentive Program

On June 25, 2013, upon recommendation from the Compensation Committee, the Board of Directors adopted the Long-Term Incentive Program (the "LTIP"), effective as of July 1, 2013. The purpose of the LTIP is to provide incentives for the achievement of longer-term sustained value creation metrics and retention by focusing on longer-term fundamentals. The LTIP is predicated on the achievement of performance metrics, which ensures that the Company is able to base awards on measurable performance factors and business results.

On June 25, 2013, the Board of Directors also authorized two equal grants under the LTIP to be made to certain employees of the Company, including each Named Executive Officer, effective as of July 1, 2013 (the "2013 LTIP Awards"). Grantees of 2013 LTIP Awards were issued a specified number of performance units ("Performance Units"), each of which represents the right to receive, upon vesting, one share of Common Stock plus dividend equivalents representing any dividends that accrued with respect to such share after the issuance of the Performance Units and prior to the date of vesting. All vested Performance Units and dividend equivalents will be settled in shares of Common Stock. Only those dividend equivalents that have accrued prior to the vesting date with respect to the shares underlying the Performance Units that actually vest will be paid to grantee upon vesting.

The 2013 LTIP Awards vest based upon the relative total stockholder return of our Common Stock as compared to the MSCI U.S. REIT Index, with respect to 75% of the total Performance Units, and the NAREIT Industrial Index, with respect to the remaining 25% of the Performance Units, over the pre-established performance measurement period, as follows:

MSCI U.S. REIT Index Performance Units

	Total Company Stockholder Return for Performance Period Relative to Total Return for Performance Period of MSCI US REIT Index (RMS G)	Percentage of Performance Units Vested
Threshold	MSCI US REIT Index minus 2%	25%
Target	MSCI US REIT Index plus 1%	40%
Stretch	MSCI US REIT Index plus 4%	85%
Maximum	MSCI US REIT Index plus 7%	100%

NAREIT Industrial Index Performance Units

	Total Company Stockholder Return for Performance Period Relative to Total Return for Performance Period of NAREIT Industrial Index (FNINDTR)	Percentage of Performance Units Vested
Threshold	NAREIT Industrial Index minus 2%	25%
Target	NAREIT Industrial Index plus 1%	40%
Stretch	NAREIT Industrial Index plus 4%	85%
Maximum	NAREIT Industrial Index plus 7%	100%

The performance period for all of the 2013 LTIP Awards began on July 1, 2013, and the performance period for one-half of the 2013 LTIP Awards ended on June 30, 2014 and the performance period for other half of the 2013 LTIP Awards ends on December 31, 2015. Upon the consummation of a change of control of the Company, each grantee would become vested in a number of Performance Units based on the level of achievement of the applicable performance targets through the date of the change of control. In the event of a termination of a grantee’s employment due to death or disability, the grantee would become vested in a pro rata number of Performance Units based on the level of achievement of the applicable performance targets through the date of death or disability. In the event of termination of a grantee’s employment due to voluntary retirement, the grantee would become vested in a pro rata number of Performance Units based on the level of achievement of the applicable performance targets through the end of the original performance period.

The 2013 LTIP Awards awarded to each of our Named Executive Officers in 2013 were as follows:

Executive Officer	2013 LTIP Awards
Bruce W. Duncan	81,700
Scott A. Musil	81,700
Johannson L. Yap	81,700
David G. Harker	65,360
Peter O. Schultz	81,700

During the period from July 1, 2013 through June 30, 2014, the performance period for one-half of the 2013 LTIP Awards, the total stockholder return of our Common Stock outperformed the MSCI U.S. REIT Index and the NAREIT Industrial Index by 11.00% and 9.21%, respectively. Accordingly, 100% of such 2013 LTIP Awards vested, resulting in each of our Named Executive Officers earning shares of Common Stock, including Common Stock issued due to dividend equivalents that accrued with respect to such 2013 LTIP Awards, as follows:

<u>Executive Officer</u>	<u>Shares of Common Stock</u>
Bruce W. Duncan	41,441
Scott A. Musil	41,441
Johannson L. Yap	41,441
David G. Harker	33,153
Peter O. Schultz	41,441

Effective January 1, 2015, the Board of Directors authorized an additional grant of Performance Units under the LTIP to be made to certain employees of the Company, including each Named Executive Officer (the “2015 LTIP Awards”). The performance period for the 2015 LTIP Awards began on January 1, 2015 and ends on December 31, 2017. Other than the performance period, the 2015 LTIP Awards have identical vesting criteria and other terms and conditions as the 2013 LTIP Awards. The 2015 LTIP Awards awarded to each of our Named Executive Officers on January 1, 2015 were as follows:

<u>Executive Officer</u>	<u>2015 LTIP Awards</u>
Bruce W. Duncan	24,039
Scott A. Musil	24,039
Johannson L. Yap	24,039
David G. Harker	22,837
Peter O. Schultz	24,039

Broad-Based Benefits

All full-time employees, including the Named Executive Officers, are eligible to participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance and life insurance, and our 401(k) plan. We also provide car allowances to certain of our employees, including certain of the Named Executive Officers.

Termination and Change-in-Control Triggers

Mr. Duncan has an employment agreement and separate agreements with respect to his restricted Common Stock and Performance Unit awards granted pursuant to the Company’s 2009, 2011 and 2014 Stock Plans, which agreements specify events, including change-in-control and, in the case of his restricted Common Stock awards, involuntary termination other than for cause, that trigger the payment of cash and vesting in restricted Common Stock and, as discussed above, Performance Units. Each of the other Named Executive Officers have agreements with respect to their restricted Common Stock and Performance Unit awards granted pursuant to the Company’s 2009, 2011 and 2014 Stock Plans that specify events, including change-in-control, that trigger the vesting of such awards. The Company believes having such events as triggers for the payment of cash and/or vesting in restricted Common Stock and Performance Units promotes stability and continuity of management. See “Potential Payments Upon Termination or Change of Control” below for more information on the payments triggered by such events.

Stock Ownership Guidelines and Other Policies

The stock ownership guidelines for the Company's directors and senior executive officers are as follows:

<u>Position</u>	<u>Retainer/ Base Salary Multiple</u>
Directors	3x
Chief Executive Officer	5x
Chief Financial Officer, Chief Investment Officer and Executive Vice Presidents	4x

The stock ownership goal for each person subject to the ownership guidelines is determined on an individual basis, using their current retainers or base salaries and using the greater of (i) the market price on the date of purchase or grant of such Common Stock (or equity valued by reference to Common Stock) or (ii) the market price of such Common Stock (or equity valued by reference to Common Stock) as of the date compliance with the stock ownership guidelines is measured. For directors and senior executive officers who were in office as of January 1, 2008, the stock ownership goal must have been achieved by January 1, 2013. All such directors and senior executive officers achieved their respective stock ownership goals as of January 1, 2013. For persons assuming a director or senior executive officer level position after January 1, 2008, the stock ownership goal is determined using their retainers and base salaries in effect on the date they become subject to the ownership guidelines and must be achieved within five years after that date. A copy of the Stock Ownership Guidelines can be found on the Investor Relations/Corporate Governance section of the Company's website at www.firstindustrial.com.

The Company's insider trading policy prohibits, among other things, its directors and employees from entering into hedging or monetization transactions with respect to the Company's securities and from holding the Company's securities in margin accounts or otherwise pledging such securities as collateral for loans.

Stock Retention Requirements

Until the directors and senior executive officers reach their respective stock ownership goal, they will be required to retain shares that are owned on the date they became subject to the Stock Ownership Guidelines and at least seventy-five percent (75%) of "net shares" delivered through the Company's executive compensation plans. "Net shares" deducts from the number of shares obtained by exercising stock options or through the vesting of awards the number of shares the director or senior executive officer sells to pay exercise costs or taxes. If the director or senior executive officer transfers an award to a family member, the transferee becomes subject to the same retention requirements. Until the director and senior executive officer stock ownership goals have been met, shares may be disposed of only for one or more of the exclusion purposes as set forth in the Company's Stock Ownership Guidelines.

Tax Implications

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally limits the deductible amount of annual compensation paid by a public company to a "covered employee" (the chief executive officer and three other most highly compensated executive officers of the company other than the chief financial officer) to no more than \$1 million. The Company does not believe that Section 162(m) of the Code is applicable to its current arrangements with its executive officers.

Employment Agreement with Mr. Duncan

On December 17, 2012, Mr. Duncan entered into an employment agreement with the Company and its operating partnership, First Industrial L.P., which reflects the terms and conditions of Mr. Duncan’s employment. The agreement had an initial term expiring on December 31, 2014, unless otherwise terminated, with up to three one-year extensions that will automatically be effective provided that neither Mr. Duncan nor the Company provides notice to the other at least six months prior to the expiration of the initial term or any subsequent renewal term of their respective intent not to renew. As neither party has delivered a termination notice, Mr. Duncan’s employment agreement currently expires December 31, 2015, subject to the two remaining automatic one-year extensions described above.

Mr. Duncan’s employment agreement provides for a minimum annual base salary of \$850,000. Under the agreement, Mr. Duncan is also eligible for annual cash performance bonuses under the Company’s incentive bonus plan, based on the satisfaction of performance goals established by the Compensation Committee in accordance with the terms of such plan, with a target annual bonus of 150% of Mr. Duncan’s base salary, and a

The agreement reflected the terms and conditions of Mr. Yap's employment with the Company, and provided for payments and benefits to Mr. Yap in some circumstances in the event of a termination of employment or of a change of control. The agreement also contained confidentiality and non-compete restrictive covenants that apply to Mr. Yap during employment and following certain terminations of employment.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL**Employment Agreement with Mr. Duncan**

The Company has entered into a written employment agreement with Mr. Duncan that provides for certain lump sum payments and post-termination benefits to Mr. Duncan by the Company in some circumstances in the event of a termination of employment or of a change of control.

In addition to the events of termination of employment identified in the following table, Mr. Duncan's employment agreement provides for payments in the event of his death or disability. Upon death or disability, Mr. Duncan is entitled to (i) his base salary and vacation pay accrued through the date of his death or disability, (ii) his accrued bonus for the fiscal year prior to the year of his death or disability, to the extent not paid, (iii) his unreimbursed business expenses incurred through the date of his death or disability and (iv) certain health care benefits and any other benefits he may be eligible for under the Company's plans, policies or practices.

Mr. Duncan's employment agreement also contains important non-financial provisions that apply in the event of a termination of employment or of a change of control. Mr. Duncan has agreed to a one-year covenant not to compete after his termination. His employment agreement does not provide for a gross-up payment in the event of any excise tax.

Stock Incentive Plans

Under the 2009 and 2014 Stock Plans, unvested restricted Common Stock vests in the event of a change of control. In addition, such Stock Plans empower the Compensation Committee to determine other vesting events in the individual restricted Common Stock awards, including vesting events such as involuntary termination of employment without cause and termination due to disability or death. Assuming that the triggering event occurred on December 31, 2014, each Named Executive Officer would have vested in restricted Common Stock having the respective values set forth in the table below.

With respect to the 2013 LTIP Awards and 2015 LTIP Awards, upon the consummation of a change of control of the Company, each grantee would become vested in a number of Performance Units based on the level of achievement of the applicable performance targets through the date of the change of control. In the event of a termination of a grantee's employment due to death or disability, the grantee would become vested in a pro rata number of Performance Units based on the level of achievement of the applicable performance targets through the date of death or disability. In the event of termination of a grantee's employment due to voluntary retirement, the grantee would become vested in a pro rata number of Performance Units based on the level of achievement of the applicable performance targets through the end of the original performance period.

Life Insurance

In addition to the events of termination of employment identified in the following table and above, each Named Executive Officer is covered by a Company-provided life insurance policy generally available to the Company's employees. Such policy would entitle the respective Named Executive Officer's beneficiary to a payment of \$400,000 in the event of such Named Executive Officer's death.

Termination and Change of Control Payments

The following table includes estimated payments owed and benefits required to be provided to our Named Executive Officers under the employment agreements and Stock Plans described above, exclusive of benefits available on a non-discriminatory basis generally, in each case assuming that the triggering event described in the table occurred on December 31, 2014.

PROPOSAL 2**ADVISORY VOTE ON EXECUTIVE COMPENSATION**

Pursuant to Section 14A of the Exchange Act, our stockholders are entitled to vote to approve, on an advisory or non-binding basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules.

The Board of Directors believes that its executive compensation program serves the best interests of the Company's stockholders by not only attracting and retaining talented, capable individuals, but also providing them with proper incentives linked to performance criteria that are designed to maximize the Company's overall performance. To this end, the Company's compensation program consists of a mix of compensation that is intended to compensate the Named Executive Officers for their contributions during the year and to reward them for achievements that lead to increased Company performance and increases in stockholder value. Please refer to "Compensation Discussion and Analysis" for a discussion of the compensation of our Named Executive Officers.

We are asking for stockholder approval of the compensation of our Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules, which disclosures include the disclosures under "Compensation Discussion and Analysis" and the compensation tables and the narrative discussion following the compensation tables. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the policies and practices described in this Proxy Statement.

This vote is advisory and therefore not binding on the Company, the Compensation Committee or the Board of Directors. The Board of Directors and the Compensation Committee value the opinions of the Company's stockholders and to the extent there is any significant vote against the compensation of our Named Executive Officers as disclosed in this Proxy Statement, we will consider those stockholders' concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2015 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission under 'Compensation Discussion and Analysis' and the compensation tables and the narrative discussion following the compensation tables."

The affirmative vote of the holders of a majority of the votes cast with a quorum present at the Annual Meeting is required for advisory approval of this proposal.

The Board of Directors recommends an advisory vote FOR the approval of the compensation of the Named Executive Officers as disclosed in this Proxy Statement.

PROPOSAL 3

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The accounting firm of PricewaterhouseCoopers LLP (or its predecessor, Coopers & Lybrand L.L.P.) has served as the Company's independent auditors since the Company's formation in August 1993. On February 17, 2015, the Audit Committee of the Board of Directors appointed PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the current fiscal year. A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Our Charter and Bylaws do not require that our stockholders ratify the appointment of our independent registered certified public accounting firm. We are doing so because we believe it is a matter of good corporate practice. If our stockholders do not ratify the appointment, the Audit Committee will reconsider whether to retain PricewaterhouseCoopers LLP but may still retain them. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that a change in registered certified public accounting firm would be in the best interests of the Company and its stockholders.

- (2) Audit-Related Fees include amounts related to joint venture audits and certain agreed-upon procedures.
- (3) Tax Fees include amounts related to tax services related to federal and state tax return preparation.
- (4) All Other Fees include amounts related to technical research tools.

PRE-APPROVAL OF SERVICES

The Audit Committee pre-approves all audit, audit-related, tax and other services proposed to be provided by the Company's independent registered public accounting firm. Consideration and approval of such services generally occur at the Audit Committee's regularly scheduled meetings. In situations where it is impractical to wait until the next regularly scheduled meeting, the Audit Committee has delegated the authority to approve the audit, audit-related, tax and other services to each of its individual members. Approvals of audit, audit-related, tax and other services pursuant to the above-described delegation of authority are reported to the full Audit Committee.
